EXECUTIVE BRIEF

GAISSF™–CIS Controls Mapping

Website & Executive Summary — CIS Controls v8.1

GAISSF-CRO-033 | Informative crosswalk | Draft for Publication

Version 1.0 | Updated 6 October 2026

© 2026 ODA3 Pvt Ltd

- Implementation Group scoping support
- Audit and assessment preparation

Important limitation

This mapping does not establish implementation of all 153 CIS Safeguards, correct Implementation Group selection, CIS CSAT or other assessment results, CIS Controls Accreditation, CIS SecureSuite status, evidence sufficiency, or operating effectiveness. Safeguard-level implementation and measurement must be verified using official CIS materials.

Publication contents

File	Purpose
PDF	Full publication crosswalk
XLSX	Forward, reverse, Control, gap, source and QA registers
JSON	Machine-readable dataset

Notably Absent

No CIS endorsement, CIS Controls Accreditation, CIS SecureSuite status, Safeguard-completeness claim, Implementation Group determination, successful CIS assessment, or evidence-sufficiency finding is asserted.
